Procrastinator's Party

Thanks to everyone for coming out to Frankie's on a cold January night. We had a nice turnout of 27 members. The place was a bit busy and a little noisy, but, they did alright for us.

And I thought Preston gave a great talk about the early days of the club.

Funny and informative. I can only imagine the site of Preston, Pat, and Peppy, pulling people out of the water on one of the early moonlight runs over 30 years ago!! Yeah people, this club has been around for a while.

I want to thank RK, Robin, Preston, and others for bringing pictures, and Peppy for the wonderful books she donated to the club.

Club business was taken care of election went smoothly(all officers the same) and we have enough money to carry on another year or two. That's great! Now lets think about where we want to go next year.

See you at the planning party, Ed

Trumbull Canoe Trails 2008 Planning Meeting

TCT members now is the time to come to the aid of your club!

Seriously we are going to have our planning meeting on February 24, at 2

P.M. This is your chance to speak up for a river that you would like to paddle. We are always willing to try new adventures each season. It would be great to have new places that members want to go to paddle. It is also nice to get some of our new people at the meeting to plan our schedule. We need input for the places we go, the time we start, and what day to go on our trips. Bring your ideas, suggestions, and stories to Peppy's house on **Sunday, February 24th at 2 P.M. Call Peppy at 330-538-3271** to let her know that you are coming because she needs to know how many people to expect. Peppy's address is **9600 Kirk Road North Jackson, Ohio**

We want to thank Peppy for volunteering to host this meeting. It was great to have a central spot for everyone to meet.

Directions: From the Warren area: Take 11 south to Austintown exit. Take Mahoning Ave. west to S.R.45 (NORTH JACKSON), turn left (south) and go to Kirk Rd. turn left. Peppy's house is on the left.

From Youngstown: Peppy's house is between S.R. 46 and S.R.45 on Kirk Rd.
